Entry forms? Here they are...

Secretary/Treasurer

Hi All, It's nice to see some sunshine and pitchers out on the courts. Our season is finally on and it's almost World Tournament time. For those of you going to TX we'll see you there – good luck and safe travels. We will be in contact via computer so if anything comes up please email or call me. I plan to take the books of the membership numbers with me to accommodate new members joining while we are gone. When you contact me for a number please be sure to have all of their information and then send it to my home with the dues check. Please include their email address.

REMINDER – We have quite a few new members from 2018 and 2019 who have not yet received their NHPA new member packet. PLEASE get the information to me ASAP so they can get their shirt and other goodies. Remember they have to be brand new members – to NCHPA/NHPA. Also, I need their shirt size and the color of the shirt they would like. Then as soon as they have pitched 2 tournaments the NHPA will send the packet to your club.

Don't forget to get your entry in for the State Tournament, NorCal and Doubles Tournaments. They will be here fast. Please consider sponsoring a trophy for the State we will need a lot of them and

since we don't have any big dollar sponsors we need all we can get. Thank you to those fantastic people, clubs and business that have helped up out in the past, we appreciate it more than you know. There are entry forms and sponsor forms attached to this Newsletter so fill yours out and send them in please Thank You.... *Gail*

Traditionally when a person joined a club, became a member of an organization, got a job, or registered for a program of any kind they were asked for their address and phone number as part of their “contact information,” and it was given without hesitation. In today's world it seems to me that a person's email should become part of the information that is routinely asked for. I would like to see us as a matter of standard practice ask for the email address of our New Members. Ultimately, I think it would be a good idea to modernize our New Member Packets which are now sent by mail, by converting the New Member Packets to an e-mail format. Currently our New Member Packet consists of a Welcoming Letter that introduces our organization, and describes our tournaments, our championships, our newsletter, our statistics and rewards, our club contacts, and our Executive Council. The packet has a current schedule, and a brochure which gives a short history of horseshoes, describes the history and functions of our organization on the National, State, and Local levels, and describes sanctioned horseshoes and accessories. The brochure gives the current Club Contacts, and describes the various recommended scoring calls used in a horseshoe game. The Membership Packet gives good information and is a nice introduction for a new member. I do believe with an e-mail format we could include even more information, and provide links to such things as instructional materials, Youtube videos, information related to horseshoe manufacturers, and a list of online horseshoe resources such as “Promoting Horseshoes” and “Talkin' Horseshoes” on Facebook. I would appreciate opinions on an “e-mail New Member Packet”, and in the meantime why don't we

routinely begin to get new members' e-mail addresses

I know that people are hesitant at times to give out their e-mail addresses, thinking that their information will be sold to third parties who will bombard them with unwanted e-mail advertisements. In our horseshoe pitching organization the email address of each new pitcher, and ultimately all NCHPA members would be strictly for efficient communication.

The NHPA has their Newline magazine e-mailed to the membership, and the News and Views you are now reading is e-mailed to the membership. At this time Casey e-mails the Club Contacts with Current Information about tournament cancellations or announcements, but it would be nice if every NCHPA member's e-mail was on a Charter E-mail List, and that every member could be reached with information with the touch of a button. The day of a person not having a smart phone or a computer is becoming very rare, and we may be fairly close to having everyone's e-mail address. In my opinion it is time to start a campaign to have everyone's electronic contact information! When a last minute weather change requires a cancellation, or if you find out at the last minute that Walter Ray is coming to your tournament, it would be great to know that everyone got an "e-mail blast" with the news, and you didn't have to worry about a club contact not being able to contact a pitcher. *George Davis*

More on PUBLICITY

Ask the radio station to advertise for you in return run a benefit for whichever charity the radio station chooses. Below are complete instructions on how to put on a horseshoe pitching clinic. You could ask the local Lions Club, Rotary Clubs, Kiwanis, VFW, Veterans groups like that and volunteer to run a tournament for them at their annual picnic. Or even use your courts as a base for their picnic.

Check this out for a great instruction manual for teaching the kids?

To date we are 54.5% through the 2018-19 NorCal pitching season (25 tournaments in 2018 after the 2018 Cal State Tournament and 120 tournaments in 2019 through the 2019 Cal State Tournament). To date 1 tournament was cancelled due to host club members not being available to setup/run the tournament, 11 tournaments were cancelled due to rain/wet conditions, and 1 tournament was cancelled due to falling on Easter Sunday. Several tournaments were rescheduled and were later pitched and several are hoped to be rescheduled and pitched.

To date the NCHPA tournaments have had 1007 NCHPA pitchers entered and 67 non-NCHPA pitchers entered. The tournaments pitched to date have had 171 total classes.

Below are the top stats to date for several of the end of year awards. If you do not see your name and want to know what the statistics spreadsheet shows for you then please email me (meanderson99@yahoo.com) and I will try to get your stats to you. If any errors are apparent then please let me know and I will try to get them corrected.

As always you club statisticians can make my task pretty easy if you submit your results in a timely manner. We would like to have them within two days after your tournament is complete so that the pitchers will have their averages submitted to Natstats in time for the following weeks update. Please email results to me at: meanderson99@yahoo.com. And please be sure that the boxscore files that you send are generated in HSMaster as Tournaments, Reports, Format, Results [not Results (Brief)]. Keep in mind that I would like to see member numbers in every file that you send. That means I want the long version, not brief version, of every file. Thanks for all your help. *Mike Anderson*

CLUBS

Sacramento

Hello everyone, I hope all pitching well and getting ready the 2019 world tournament in Texas if you are attending. If not, I will see you in Stockton for the state championships. Sacramento has 2 tournaments July 13th and 14th. Hope to see a great turnout. We have plenty of shade trees that are growing every year. Please support all the clubs that you can as we have had a fairly low attendance at a lot of our tournaments. See you on the courts. **Rick Bermingham.**

San Jose

San Jose held its first tournaments of 2019 in April, hosted Tri-Valley Club's May tournaments, and had our May tournaments rained out. The San Jose Tex Ronning Tournament on Sat. Apr. 13 was well attended with 27 pitchers in 3, 7-person classes and one 6-person class. Bill Faler was 1st in A Class, Teodoro Espinola was 1st in B Class, Jaden Lane was 1st in C Class, and Gary Greensmith was 1st in D Class. The San Jose Memorial Tournament on Sun. Apr. 14 had 12 pitchers in 2 6-person classes. Jim Saunders was 1st in A Class and Johnny Armenta was 1st in B Class. San Jose was glad to be able to host the Tri-Valley May 4 and 5 tournaments. San Jose's Brian & Russell Zelmar Tournament on Sat. May 18 and Edward Moore Tournament on Sun. May 19 had to be cancelled/postponed due to rain. We hope to reschedule these 2 tournaments for later this year. All the tournaments that were not rained out were followed by our usual pot luck lunch. We appreciate all the work that Nancy Cloutier and all the others do in bringing the dishes and getting the pot luck set up.

We hope that you were able to join us for our June tournaments on Sat. June 15 and Sun. June 16. Unless we are able to reschedule our 2 rain out tournaments earlier our next/last tournaments of the 2018-19 season will be Sat. Sep. 14 and Sun. Sep. 15.

Best of luck to all those going to Wichita Falls, Texas to pitch in the 2019 World Horseshoe Tournament. **Mike Anderson**

Stockton

On May 25th the Stockton Club held the Joe and Millie Schultz Memorial Tournament. It is always a special day when we remember Joe and Millie, and this year's tournament was made particularly special by the appearance of legendary horseshoe pitcher and bowler Walter Ray Williams, Jr. Walter Ray was in Northern California to bowl in a tour event in Brentwood, and he skipped a Saturday bowling practice session in order to pitch with us.

We had a good turnout of 31 pitchers, and we had an epic top group! Joining Walter Ray (who has 6 Men's World Championships, 17 California State Titles, and 2 Florida Titles) in the elite group was six-time California State Champ Rick Bermingham, and four-time California Men's Champ, and five-time Arizona Champ, Nathan Williams. Hastiin Begay, two-time California Cadet Champion, was in town from Madera to take on the big boys. Delia Garza, Stockton's top woman pitcher rounded out the group.

The headliner going in to the tournament was Walter Ray, but by the time the clay dust had settled, budding young phenom Hastiin Begaye was the star of the day! The Tournament Championship came down to the final game when undefeated Walter Ray met undefeated Hastiin; the classic case of the living legend vs. the rising

young superstar, proven greatness vs. unlimited future! Hastiin started the 50-shoe finale by dropping a six-pack on Walter Ray. After a 4-dead in the second inning, Hastiin unloaded another six-pack on the six-time World Champ. Hastiin started the game with twenty ringers in a row to take a 36-0 lead over one of the greatest pitchers that has ever lived! Walter Ray finally scored in the eleventh inning with a two-dead, one; then the youngster promptly hit a two-ringer six to take a 42-1 lead! Hastiin finished the game in fine style, throw 13 ringers out of his final 16 shoes, a torrid 81.25 finish! Fittingly, the championship game ended on the fifth 4- dead of the game. Hastiin had pitched his first 80% game, and had defeated Walter Ray 55-13! In earlier games Hastiin beat Delia with a 60%, beat Nathan with a 72%, and beat Rick with a 68%, giving him his first 70% tournament. It certainly was a great day for Hastiin. I think everyone enjoyed seeing a Junior pitcher with such talent, and on top of it all he is a great kid! Hastiin has shown that he has the ability to come up with a great game when he needs it against great pitchers. Hastiin's dad Gavin told me that last year he took Hastiin over to San Luis Obispo to play in Jesse Gonzalez' Tournament. Jesse and Hastiin met in the tournament; Jesse pitched 70%, and Hastiin beat him with a 75%! Is this young man a giant-killer, or what?

Hastiin and WRW,Jr.

The tournament turned out to be a Williams "family reunion" of sorts. It was fun to introduce Esther Williams, not only as the matriarch of the Horseshoe Pitching Williams Family, but as the 1964 California Women's State Champion, the state's first Women's Champion! I was also able to introduce Jeff Williams who as we all know was a 2-time Boy's World Champion, a NCHPA Hall of Famer, and a Noted Horseshoe Videographer, and it gave me the chance to tell the crowd of Jeff's performance in the Championship Group in the 1979 World Tournament in Statesville, NC. Remarkably Jeff averaged 75.3% ringers for the tournament against the best player in the world. Among his wins he pitched 81.1% to beat the legendary Red Henton of Iowa, pitched 87.8% to beat Jesse Gonzalez, pitched 83.3% to beat Walter Ray (who was the defending world champion), pitched 73.5% to beat 1976 World Champion Carl Steinfeldt, threw 72% to beat Pennsylvania's Hall of Famer Al Zadroga, and he defeated two-time California Champ Ronnie Simmons with an 84.4%. Wow!!

The Stockton Record photographer was able to pull Jeff out of a game on Court 1 to get the following Williams family portrait.

A Horseshoe Family Portrait

In other action, Dave Lane was undefeated to take Class B, throwing a high game of 57.5%. Bill Faler was second.

Gavin Begaye took Class C on a tiebreaker over Southern California's Roy West. West and Teodoro Espinola shared Class high games of 37.5%

Walt Morgan won Class D breaking a 4-way tie for first. Morgan, Joe Summers, and JoEllen Lagg had 30% games tying for high game honors.

Cadet Evelyn Espinola was the winner in Class E on a tiebreaker over Jeff Vieira. Jeff threw a Class high 30% game.

We had a great tournament in honor of Joe and Millie. I think it would have made them smile to see the good turnout, the presence of Walter Ray and the Williams family, Hastiin's big day, and the fact that Juniors won two of the five groups. Lastly, I've included a picture of Joe and Millie's new Brick at the NHPA Hall of Fame in Wentzville, Missouri. We hope to see you all at the State Championships over Labor Day weekend. *George Davis*

A safety reminder! All Clubs should have aspirin in their first aid kits in case anyone at your tournaments show signs of a stroke or heart attack. Remember to place the aspirin under the tongue for a faster response.

Do to scheduling conflicts, our Club hosted two tournaments from two of our sister clubs. We hosted the Vern Gosney Memorial for Vallejo & Kooy – Cowles for Tri-Valley. We were honored to help out.

Julie McGowan our VP of Publicity, Media Relations & Stat Room has invited the sports editor of the HMB Review to throw out the first shoe for the John Carver NHPF Benefit on June 29. This led us to inviting more prominent members of the community to throw out the first shoe, just like in baseball. Our target market is to invite those that might bring us new members, like Little League, Senior Centers, Recreation Departments, etc.

We will be hosting three tournaments before the World Tournament, we hope to see you in Half Moon Bay.

Good Luck to the Northern California Pitchers Going to the World Tournament! Remember, Keep throwing first. See you on the courts! *Rick Della Santina*

Sonoma County

We had two second year pitchers begin to venture out to other clubs. Tim Brady traveled to Ukiah and was unceremoniously put in the top group. Yes, he got spanked, but that's ok. Two weeks later his daughter Jasmine and he went to San Francisco and both of them won their respective groups! Tim holds the honor of most shoes pitched in our league last year 4500 and that does not count the hour of practice he puts in prior to league start time. Tim and Jasmine have been a real asset to our club. We hope we can find another 10 people just like them.

Your tune-up for the WT is July 13 at our club come on over to pitch, then don't forget our 2 day event on August 24 and 25th. The 24th you get to wear your favorite sports team shirt to pitch in. The 25th is our infamous MYSTERY MONEY open, come join the fun that weekend.

HPO Youth Program. What is it?

By Peter Zepponi,

San Francisco Horseshoe Pitching Club

If you have not heard about it yet, you will soon. The HPO Youth Program is the latest revelation in attracting kids to the sport of horseshoe pitching. HPO stands for Horseshoe Pitching Online. HPO is an online Facebook group that Steven Gibson and Rickey Muter started on December 18, 2018. As of today, 6/24/19, there are 1,027 members in the group with new members joining daily. It features live online horseshoe games, tournaments, challenges and leagues. They are all recorded live on the Facebook group. They are fast 12 shoe games and short videos. Early on I was invited to join the group. Being someone who had Facebook but never used it, it took me a month or two to decide to join. Once I did I loved the concept. For a few years I had been working with my son Luke on creating a San Francisco Junior Horseshoe Pitching Club while he was in elementary school, then when he was in middle school I began working on the outline for an SF High School Horseshoe League. At the same time my son started taking coding classes and we began working on an online horseshoe pitching app. He built a preliminary version of it in the summer of 2018. Then I started watching the HPO group. The main concept of online horseshoe pitching I wanted to accomplish with the app was already possible by utilizing features built into Facebook. While not an ideal tool, it was good enough so the app went on the back burner and I reached out to Steven Gibson. I made a post about how they should create a Youth version of HPO, and Roger Vogel replied 'good idea! Why don't you do it?' I thought about it and decided, why not? So I took the work I'd already done and started adapting it to HPO to create a ground up new program called HPO Youth. The HPO Youth Program is only for kids 18 and younger. Divisions of Y20', Y30', Y40' are based solely upon age and distance.

On May, 9 2019 we launched the HPO Youth group as a spinoff of the adult Horseshoe Pitching Online group and started taking signups. Three weeks later on June 1st we began the worlds 1st International Online Youth Horseshoe Pitching Tournament. We had 33 entries representing 12 US States, and 2 Canadian provinces. All squads improved every round. Practice and Coaching WORK! 300 Games! 3,600 shoes were pitched! 3,240 points scored! We are looking at creating new pathways into the sport for the next generation of horseshoe pitchers and have begun working with the Southern Utah HPA and Omega Horseshoes to host a sanctioned online youth horseshoe tournament on the HPO Youth group.

The first step was to throw out the rule book. This was a new concept. If the NHPA didn't exist, what would an ideal youth horseshoe pitching organization look like? How would it run? Who would run it? What would be the format? How to make it as easy, accessible and fair to everyone? I didn't worry about making it "Fun". Horseshoes is already fun. If I need to tell someone its fun the battle is

already lost. Why else would you play a game?

The second step was to give the kids a voice. So I created the “International Executive Youth Steering Committee” and started inviting kids to be a part of the conversation. I started with my son and his neighborhood friends, and then I reached out to others. I looked for an equal mix of boys, girls, NHPA, backyard, non horseshoe pitching and international kids. Some of the kids that were part of the discussion were Luke Zepponi, Ellyn Ohms, Ethan Glass, Hastiin Begaye, Aaron Graham Jr, and Seth O’Nan along with several non horseshoe pitching / video game / major sport playing kids. The question was ‘How do we make horseshoe pitching ‘cool’? Something you want all your friends to know you do, and want to try themselves because it looks fun.’ This is ONLINE Horseshoe Pitching. This generation of kids known as ‘Gen Z’, are characterized as the first people to never live in a world without the internet, cell phones, social media and video communication. Why fight the phone?! That is OUR perspective. Not theirs. So I made the decision to make the phone an essential part of the game. Take selfie videos, share, like, comment, and chat with your friends about horseshoes. They will promote themselves.

The next step was to create an Adult Advisory Board. We had a diverse board that grew to 18 men and women with a vast knowledge of horseshoe pitching in the NHPA and Backyard styles.

When I had completed a draft outline in the beginning of April I shared it with the Advisory Board and we began an intensive discussion and debate over various aspects. Above all were the concepts of equality, fairness and accessibility to everyone. Online horseshoe pitching is accessible to kids around the world with minimal equipment: A stake in the ground, a pair of horseshoes and a cell phone. Pitch anywhere, any time. You may pitch by yourself, but you are never pitching alone.

One primary challenge was to design a system that allows the best of the best to play competitively with the newest and youngest without being handicapped. This is when I thought of Seth O’Nan who my son played against in St. George. He was one of the only kids in the finals that ever had a lead on Seth: 1-0... and then they threw the next two shoes. How do any of the kids that reach the pinnacle of the sport ever find friends that want to play against them? You don’t. You have them play with them. This is where my idea of creating balanced teams came from. However, we don’t call them teams; we call them ‘Squads’. The ‘Squad’ idea came from my son and his friends. Many of whom are online gamers and when they play remotely together they play on squads, not teams. I was informed being on an online Squad sounded cooler than a horseshoe team. Give the kids a voice, and then listen.

Squads were balanced so they all have an equal total Point Potential. We use a Point Potential Average (PPA) based upon your ability to score count all points, not just ringers. Not all squads had the same amount of people, but they all had equal potential to score. By doing this the #1 seed is encouraged by their squad mates to do their best. A player with a potential to score 85% of their potential points might only have 3 squad mates with 5-15% PPA’s. Another squad might have 6 players with PPA’s between 3% -35% in order to have the same scoring potential in a round. This mixed division “Balanced Squad” system worked exceptionally well during our first tournament with the winner being decided in the last few games and by some of the lowest ranked pitchers. Going into the last day, 5 of the 6 squads were still in the running.

A very exciting aspect of the Youth Program is the Guest Coach/Mentorship Program. We had some of the best horseshoe pitchers in the world volunteering to be Squad Coaches! I wanted to tap into the vast amount of talent and knowledge out there that most kids would never have access to. Online it is possible. The coaches watched the kids pitch online, made comments and suggestions and offered encouragement and strategic advice. They were phenomenal. Our coaches were Stanton Griggs, David Lane, Rick Birmingham, Brandon Tenjieth, Emery Jackson, Ben Webb, Deborah Lock Hanes, and Sandra Johnson. We have reached out to others we think would make excellent coaches and mentors in future tournaments. If you are interested in being a youth Guest Coach or Assistant Coach please let us know. Share your knowledge and experience with the kids.

Thanks to the young trail blazers who participated in this historic event.

Court Sanctioning requirement

The National Horseshoe Pitchers Association's (NHPA) appointed Regional Director(s) (RD) for each charter should sanction courts in accordance with Rules/Regulations-Guidelines- Specifications (RGS) book revised January 1, 2019. Due to the decline in membership, the NHPA Council has agreed to allow "grandfathering" (exemption) of horseshoe courts. Courts that do not meet the conditional or full sanction requirements of the NHPA may receive a tournament sanction number and host local "weekend" tournaments/leagues. However, court facilities that do not meet the "full" sanction requirement from the NHPA will not be able to host State, Regional, or National Championships.

How to put on a Horseshoe Pitching CLINIC

Contributed by Dean Schmitz, who was awarded an NHPA Achievement Award in 2001 for his efforts.

This outline, with your own little modifications, will give you an idea of how to go about putting on a horseshoe pitching clinic. Getting started on something seems to be the key to getting things done. This should give you a jump start on putting on that clinic that you've always been talking about.

This is just a suggestion of presentation material and commentary. There are probably more transparencies and commentary than what you will be able to use and still keep your audience interested. Pick out the stuff for a beginners clinic and use it for that. Pick out the stuff for a more advanced clinic and use it for that. After all, YOU will be the presenter.

PURPOSE OF CLINIC:

1. Recruit new pitchers
2. Information for those who "know it all"
3. General information for the public
4. Sign-up for league play
5. Information for those wavering on joining a club
6. Part of your Club's Open House
7. Orientation before your club begins league play
8. Starting a new Club
9. Recreation Department Information
10. (You can add to this list.)

CLINIC PREPARATION

Determine: DATE, TIME, and PLACE to hold Clinic

If inside, have a portable court setup.

If outside, on the courts, have a presentation area with seating, electrical power, and free from the wind. You could use a building for the classroom portion and then go out to the courts for practical experience.

Clinic Staff: Chief presenter, presenter assistant, demonstrators (the "good" pitchers), registrar, fees collector, handout provider, court setup crew (all staff should wear their horseshoe pitching shirts). The chief presenter should definitely be the most informed person on horseshoe pitching "book work".

Gather Equipment: Overhead projector, transparencies for the presentation, video player and monitor, video: Basics of Horseshoe Pitching, a fully equipped horseshoe pitching box, different brands of horseshoes, hooks, and other pitching equipment.

HANDOUTS: The least that a clinic could bring about is “free” information. Make sure people go away in hand with something about horseshoe pitching. Gather and have plenty of handouts about your local club, state association, NHPA, NHPF, where to buy horseshoes and equipment, horseshoe pitching newsletters, NHPA Newslines magazine, and whatever else you can gather and make copies of.

Refreshments and treats are always an ice breaker and gives people something to do when coming in.

Displays: You could also have a display area showing individual pitchers trophies and awards (trophies that no one sees after they are won), different brands of horseshoes, newspaper articles about horseshoe pitching, pictures, and whatever else you may think people would be interested in. Anything to peak their interest.

Advertise: Through your local recreation department, poster fliers, sending out personal postcards, newspaper articles, radio, local cable TV bulletin boards, posting on the internet, state horseshoe association newsletters, word of mouth, and you may know of other sources.

CLINIC PROCEDURE:

1. Set-up all equipment and make sure it works
2. Set-up tables for handouts, displays, horseshoes and equipment, etc.
3. Register people as they come in
4. Give them “handouts”
5. Take any fees for joining the club and leagues (have applications available for local and state organizations)
6. Make sure everyone has a place to sit or stand and to be able to see the video and overhead projector screens
7. Turn on Overhead Projector
8. (Slide 1) Welcome them to the clinic and the great game of horseshoes, etc.
9. Introduce Clinic Staff

SHOW VIDEO: Basics of Horseshoe Pitching

PROCEED with remaining set of overhead transparencies

END with demonstrations and “guests” pitching on the courts. Answer personal questions by directing them to the proper people.
